

Sales Behavioral Competencies

Essential Behaviors for High-Performing Salespeople

Imagine knowing which applicants will exceed their sales quota.

Picture being able to easily target and develop the needed sales competencies for your team.

Consider the impact that would have on your sales.

Harrison Assessments has been specializing in job-specific assessments for over three decades. Our Sales Competency Assessment identifies and measures the essential behaviors and qualities of high-performing salespeople in an easy to administer 20-minute assessment.

Enhance Your Recruitment Process

- Quick and accurately screen and shortlist high performing candidates
- Use our sales assessment templates or customize your own
- Enhance interviews with detailed competency knowledge and targeted questions

Targeted Employee Development

- Assess detailed sales competencies
- Target key development areas for individuals and teams
- Easily create and implement personalized development plans

Sales Behavioral Competencies

What Competencies Do We Measure?

We measure 12 competencies that impact sales as determined by our 30+ years of global research.

Grit
Hunts & Qualifies
Explores Customer Needs
Presents Effectively
Builds Relationships
Knows Product & Industry

Systematic & Organized
Builds Networks
Handles Objections
Negotiates & Closes
Follows Up After Sales
Growth Mindset

The Sales Competency Overview shows an individual's score against each Sales Competency. You also receive a detailed breakdown, 10-12 key behaviors that form each competency. This empowers employees to understand how to develop the competency.

Overview Report
